REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The newly cited reference to Johnson & Johnson (WO 01 13989 A) represents the closest prior art in that it includes a device for intradermal delivery, and which may deliver low molecular weight heparin as well as many other agents. The reference however neither teaches, nor fairly suggests that the agent to be delivered is for anything other than local delivery, whereas the instant claims ultimately require systemically delivery.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carlos A. Azpuru whose telephone number is 703/308-0237. The examiner can normally be reached on Tu-Fri, 6:30 am - 5:00 pm.
